important notifications

Remember to bring your **Cruise Card** or **Ocean Medallion™** plus **Cruise Card** with you when going ashore. Please also bring a **government-issued picture ID** as you will be required to show this at security checkpoints upon your return. Do not accept or bring aboard any parcels or packages from strangers. Before boarding, you may be asked by Princess security staff to open parcels or handbags.

Security Screening: All guests returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Guests with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

Beach Towels: If you are heading to the beach, do not forget to take your beach towel, but please remember to bring it back onboard yourself! Thank you for your cooperation.
