

# Princess® patter

Your daily guide to life at sea.

**Martinique • Mon. Jan. 1, 2018**

Regal Princess® • Tonight's dress: smart casual

## enjoy your day in martinique

From vivid to pastel and bright to luminous, Martinique is as colorful as a box of crayons. Everywhere you look you'll see flowers the color of royal purple, rose red, and fiery orange; water that ranges from turquoise to navy and aquamarine to cerulean; and houses painted in pastel tints of yellow, pink and green. Amid this joyous riot of color are adventures just as captivating: tasting tours at a rum distillery, walking tours of Fort de France, a 4x4 safari into the island's lush jungle, and a chance to observe nature's beauty at Balata Botanical Garden. Martinique is a wonderful world of color you'll treasure forever.

*Port Guides are available at the Shore Excursions Desk or can be downloaded to your device through Ocean Concierge.*

**New Year's Day:** We hope all those that rang in 2018 with us last night enjoyed the festive party atmosphere onboard! January 1st has been celebrated across the globe for centuries, dating as far back as ancient Roman times, when Janus, the god of beginnings and endings, and for whom the first month of the year is named, was honored.

Today, our New Year's Day festivities continue with college football games being broadcast on our giant Movies Under the Stars screens. On behalf of the entire staff and crew of Regal Princess, we'd like to wish you all a very Happy and Healthy New Year!

## meet Federico Arcos Maitre d'Hotel

Federico Arcos Cantos was born in Alicante, Spain, where he attended hotel school. He later served in the military before joining Pacific Princess in 1991. He considers this ship "the place where everything started." The first time Federico called in his hometown aboard Princess, he spotted his family waiting on the pier. "I almost burst into tears right there," he recalls fondly. Back in Alicante, Federico cherishes his growing book collection and enjoys watching movies with his wife, Monica, whom he met onboard in 1998.
