

# Princess® patter

Your daily guide to life at sea.

Bonaire, Caribbean Netherlands • Wed. Jan. 3, 2018  
Regal Princess® • Tonight's dress: smart casual

## immerse yourself in bonaire today

Tranquil, laid-back, friendly, unspoiled. There are as many adjectives used to describe Bonaire as there are activities and experiences. Be at one with nature as you kayak through the mangroves at Lac Bay National Park. Get a taste of the island with a sample of the Cadushy Cactus Liqueur, which is made out of cactus and lime. Watch age-old customs come alive as performers play Creole instruments and dance to the island rhythms. And, of course, there's the call of the sea inviting you to dive in and explore the wonders down under.

*Port Guides are available at the Shore Excursions Desk or can be downloaded to your device through Ocean Concierge.*

Remember to bring your **Cruise Card** or **Ocean Medallion™** plus **Cruise Card** with you when going ashore. Please also bring a **government-issued picture ID** as you will be required to show this at security checkpoints upon your return. Do not accept or bring aboard any parcels or packages from strangers. Before boarding, you may be asked by Princess security staff to open parcels or handbags.

**Security Screening:** All guests returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Guests with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."
