Regal Princess® • Tonight's dress: smart casual

new discoveries in curacao

It's easy to think of Curacao as your own private island in the sun. Where you set the pace, the time is yours and the adventures are never-ending. Relax and rejuvenate on the soft sands of Sea Aquarium Beach or get your heart pumping during an off-roading caravan to geologic wonders like the massive Watamula blowhole. Dive in the welcoming waters for an up-close-and-personal dolphin encounter or sample Curacao's iconic blue liqueur. Whether you prefer to take things slow or burn off some energy, you're sure to make Curacao your own special paradise.

Port Guides are available at the Shore Excursions Desk or can be downloaded to your device through Ocean Concierge.

important notifications

Remember to bring your **Cruise Card** or **Ocean Medallion™ plus Cruise Card** with you when going ashore. Please also bring a **government-issued picture ID** as you will be required to show this at security checkpoints upon your return. Do not accept or bring aboard any parcels or packages from strangers. Before boarding, you may be asked by Princess security staff to open parcels or handbags.

Security Screening: All guests returning to the ship must pass through security screening. Objects containing metal such as mobile phones, cameras, binoculars, reading glass cases, large belt buckles, batteries, electrical devices, etc. will cause the walk through metal detector to alarm and delay entry onto the ship. Such items need to be placed into the trays provided before you pass through the metal detector. Guests with, for example, surgical metal implants, large amounts of metal jewelry, metal shoe stays, etc. may need to undergo further screening, e.g. hand-held metal detector or "Pat Search."

When he's not helping passengers stay healthy onboard, Mark can be found mountain biking off the beaten path.
